Why choose Nullarbor Couch?

The best couch variety!

Selected by Lawn Solutions Australia as the best performing couch for your home lawn, sporting surface or commercial project.

Nullarbor Couch is the couch variety that is best suited to your region and is the perfect choice in couch grass.

Our producers have researched, evaluated and trialled couch grasses for well over 20 years. When looking to choose the right couch to be given the name **Nullarbor Couch**, we look for a good dense cover and rapid recovery from wear.

Nullarbor Couch grows best in full sun, and requires at least 5-6 hrs of sunlight per day. It is best mown at about 15-25 mm height. Apply Lawn Solutions Australia recommended fertiliser 2-3 times per year to maintain a dense vigorous turf sward.

Otherwise, **Nullarbor Couch** maintenance requirements (pests, diseases, etc.) are relatively low.

Nullarbor Couch is suited to a wide range of domestic, commercial and sports applications including, high impact public areas, parks, golf fairways and tennis courts.
